INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Cull Downing,

P. O. Box 7,

Leavenworth, Kansas.

Sir:-

Your letter of May 19, 1907, addressed to the Honorable Commissioner of Indian Affairs, has been referred to this office for reply.

You are advised that none of the Eastern Cherokee applications have been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 24,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

Special Commissioner.

WLC.

Elizabeth Braswell, being first duly sworn and examined,
deposes and says:

My name is Elizabeth Braswell; I was born in Cobb Co., Ga. 1845; I claim my Indian blood through my father, Henry Guess: my father was born in Union Co., Ga. 1804; my father got his Indian blood from his father: my father's father's name was Abner Guess: my grandfather was born in Union Co., Ga.: I do not know what year: I never saw my grandfather through whom I claim: I claim no Indian blood through my mother: I am unable to trace my Indian ancestry back farther than my grandfather: none of the ancestors through whom I claim were ever held as slaves; I think my grandfather got his Indian blood from his father: my great grandfather's Indian name was Talking-Stick: my father lived among the Cherokee Indians in Ga., but I do not whether he lived as a member of the tribe or not: in 1835 my father lived in De Kalb Co., Ga.: in 1851 I and the ancestors through whom I claim lived in Cobb Co., Ga.: in 1882 I lived in Cobb Co., but I never heard of an enrolment at that time: none of my ancestors through whom I claim ever went West with the Indians that I know of: I have heard that my grandfather was a quarter Cherokee: both I and the ancestors through whom I claim were always regarded as white people with an admixture of Cherokee Indian blood.

Madam:-

Replying to your letter of August 29, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Dear Sir:-

I enclose herewith claims of John W. Thorn, Mrs. Frankie Shortridge, Mary Jane Thorn and Tessie May Thorn, heirs of Wm. Thorn for Eastern Cherokee fund. These are the widow and children of Wm. Thorn who was a member of the nation and sixteen years of age in 1851. At that time he lived near Webber Falls on the Arkansas River and later came to California. He lived for a number of years in this County and died here leaving a widow and several children. . He had always claimed that he had never received anything from the government. These claims are filed to ascertain if he is among those who would share in the fund and if so these heirs can give any further proof of their heirship that may be required. If further proof of the identity of Wm. Thorn is required we will endeavor to furnish it.

Kindly acknowledge receipt.

Respectfully,

Appl. 12877

February 27, 1908.

Thompson & Hardy,
Eugene, Okla.

Gentlemen:

Relative to the applications of the heirs of William Thorn filed by you for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, I shall be obliged if you will furnish me with further information, as that given in the applications is not such as to entitle them to participate in this fund.

About when was William Thorn born? About when and where was Jacob Thorn born? Where was he residing in 1854-55, if living at that time? Where did he live in 1851, and why was he not enrolled with the Eastern Cherokees at that time?

If possible, give the names of William Thorn's grandparents, and indicate where they resided in 1854-55.

Kindly furnish me with any other information which you may be able to obtain tending to establish connection by blood of William Thorn with the Eastern Cherokees.

Very respectfully,

Special Commissioner.

Madam:-

Replying to your letter of September 4, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at this time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

The image shows the front cover of a book. The main part of the cover is a dark, heavily textured material, possibly leather or a similar synthetic material, with a mottled, almost marbled appearance in shades of dark grey and black. On the right side, there is a vertical strip of lighter-colored material, likely paper or a different type of leather, which is also textured but appears smoother than the main cover. This strip runs from the top to the bottom of the cover, creating a two-tone effect. The edges of the cover are slightly worn, and the overall appearance is that of an old or well-used volume.

Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state why your parents were never enrolled as Eastern Cherokees? Why have you never been enrolled? Why have your grandparents never been enrolled?

Were any of your ancestors slaves? Do you claim the right to participate in this fund through any other source than Nedaga Revels? Did Nedaga Revels' father live with the tribe of Eastern Cherokees, and if so, about what year did he leave said tribe?

Give any other information obtainable tending to establish your right to participate in this fund.

An early reply will be appreciated.

Very respectfully,

Chief Clerk.

Eliza Ann Reagan being first duly sworn, deposes and says:

That I am 52 years of age and live in Monroe Co., Tenn. I am making claim for my children through their father. His name was Michael A. Reagan. His parents were William and Emeline Reagan. His mother was the Indian. His grandfather was the Indian. His name was Henry Weise or Weice. I don't know where he was born and raised. I don't know where my husband's mother was born and raised. Whenever I heard of her she lived in Monroe Co., Tenn. She has been dead three years. Don't know when Weice died. My husband's mother was 1/2 Cherokee. Don't know whether she ever lived with the Indians or not, nor his grandparents. None of them were on any rolls that I know of. I can't give the names of my husband's uncles and aunts. I remember one, Dan Weise. My husband was recognized as a white man with Cherokee Indian blood. He never lived with the Indians. He has been dead two years and was 54 when he died. He was never on any rolls that I know of. There is no one living who can give any more information than I can.

#15756 was also filed by me and was made for the same purpose as 12941.

My ancestors were Indians and Whites. No negro blood in my veins and none of my ancestors were ever held as slaves. My mother was ~~an~~ of the White race. She had no Indian blood. If any further information is wanted please let me know.

Yours truly,

Jacob Cox is dead.

I was well acquainted with the Cox family and lived near them and know the above facts to be true.

Sir:-

You have on file in this office application #12845 for a share of the money appropriated for the Eastern Cherokee Indians, to which you state that you claim through John Cox, a half-breed Cherokee Indian whom you claim was taken west with the Cherokee in 1837. You state that Jacob Cox was the son of John Cox, and that Jacob Cox was your father.

I beg to advise that the names of John and Jacob Cox do not appear upon the roll of 1835 or 1851 respectively. Please inform this office why your grandparents and your father or any children of the said Jacob Cox were not enrolled in 1851. Were your ancestors Indian and White or Indians and Negro? Were they ever held at any time held as slaves by the Government? Do you have any other blood?

Your cooperation will be appreciated.

App. #12946.-12954 - 11619.

Misc.

J. A. ^{Manar}~~Maynard~~, ----- Being duly sworn,
deposes and says:

My name is J. A. ^{Manar}~~Maynard~~. My age is 61 years. I live in Sequoyah District, in the Cherokee nation. I have lived here about 14 years, and came from Missouri. I was born in Tennessee and moved to Missouri in 1861. I filed an application for myself #532. I know Ardenia J. Manar. She is married to my brother. Henry J. Manar is my nephew. They claim through my mother, Sallie Lowery. She died before the war, in Kentucky. I am not a recognized citizen of the Cherokee nation. These relatives are not recognized citizens of the Cherokee nation. I was not enrolled by Dawes Commission; neither were any of those present. We found out it was too late to enroll. I was never enrolled at all. I was not here at the time of the bread and strip payments. None of us were here at the time the strip money was paid out. I lived in Tennessee in 1851 and was not enrolled. I understand my mother was enrolled in 1835. I suppose the reason my mother was not enrolled was that my father married my mother and she had no correspondence with her people. She lived in Kentucky at the time of death. She probably lived in Tennessee at the time of the 1851 enrollment. I think my father did not attend to her being enrolled. A woman in Fourteen Mile Creek said my mother was enrolled in 1835. She knew her in the East. She married Manar. I think my grandfather's name was Jim Lowery. He lived in North Carolina. My grandmother's name was also Sallie Lowery. I have one sister living: Betsey Ann Lowery. She lives in Oklahoma. She was born in Tennessee. I had a brother, Jefferson Manar and James Henry Manar. I had an uncle called Kit Lowery. I do not know any brothers and sisters other than the above. I do not know of the name being spelled in any other way. I do not know of their ever being associated with any other tribe. I do not know what year they left North Carolina and Georgia. They were known as Emigrants. I never heard them talk about the treaties. I do not know whether my mother was a party to that treaty of 1835.
